## SECTION I

### A. RESPONDENT REQUIREMENTS:

All respondents must have, as a minimum, the capabilities listed herein and the bid proposals submitted must reflect in detail the inclusion of these services as well as the additional forms required in Section II. Respondent should also provide technical information of delivery of services required in this RFP.

### B. SCOPE OF WORK:

Navajo Head Start (NHS) is requesting for proposals from licensed, qualified consultants for the state of New Mexico, Arizona, and Utah to provide full time on-site early childhood mental health services for Navajo Head Start within the boundaries of the Navajo reservation. NHS consists of approximately (80) Head Start Centers, and five (5) Early Head Start Centers. NHS has a Central office and five (5) district offices as follows:

1. Shiprock District - Shiprock, NM
2. Crownpoint District – Crownpoint, NM
3. Window Rock District – Window Rock, AZ.
4. Chinle District – Chinle, AZ
5. Tuba City District n – Tuba City, AZ

Consultant(s) can submit proposals for all regions and/or only regions they can serve.

The consultant shall be responsible for the following:

1. Provide early childhood mental health services for all programs throughout the school years of FY2021 – FY2025.
2. Submit a tribal and federal background check and must successfully pass the background check assessment prior to award of a Professional Services Contract. The term of the contract will begin **March 01, 2021 and end February 28, 2025** dependent upon successful annual evaluations.
3. All services rendered by the licensed consultant will be culturally sensitive and responsive to the needs of ages 0-5, pregnant women, families, and staff of Navajo Head Start.
4. Perform evaluation and follow-up of children needing special help as requested by the Head Start Center Team or Home-Based program (Head Start & Early Head Start). This is to include participation on the Positive Behavior Support Team as identified by the team and the development of written recommendations for classroom and home use using the consultation form designated by Head Start.
5. Participate in training to provide educational opportunities for Head Start staff as requested.
6. Deliver one Second Step Anti-Violence Curriculum lesson per month to small groups of children in each assigned classroom. During this time the mental health consultant will also observe the environment and provide written recommendations to the Head Start Classroom Teacher.
7. Participate in one additional hour of consultation per month in each site to provide training and support for staff, children and families' mental wellness. (One hour per site each month to team with center staff or be available for parent consultation). This could be an appointment with a specific family if the need arises. The family session could be scheduled in the center if there is a private space or in the family home if the family chooses. Providing mental health consultation to Head Start staff for personal concerns will be scheduled on an individual basis outside of the workplace. \*One regularly scheduled visit one hour in length

per month to provide Second Step antiviolenace training for children (1 Hour) and consultation for staff or parents (1 Hour) will fulfill terms. Full year centers and full year home based sites will require full year service from mental health consultants.

8. Participate in two scheduled parent trainings per year to provide training on a subject requested by the majority of the parents in that cluster. This training will be done during a regularly scheduled parent meeting. The training will be scheduled for thirty minutes with time for questions following the training session. This meeting is held during the evening hours and has been scheduled for the entire year. (Calendar enclosed)
9. All services will be tracked by the consultant with some mechanism of a tracking sheet by accessing and updating the NHS ChildPlus database. The tracking sheet and all documents pertinent to services rendered will be submitted with the invoice on a monthly basis.
10. Weekly on-site visits will be conducted by the consultant. Consultant will provide monthly schedule to NHS outlining the forty (40) hour work week for each week during the school year.
11. Observations and trainings will be provided to NHS staff with the utilization of the Early Childhood Mental Health best practices guidance as provided by the NHS program policies, procedures, and adopted forms.
12. Early Childhood Mental Health (ECMH) consultant(s) will become certified within the first year of contract as a Conscious Discipline consultant at his/her own expense and implement this approach at each of his/her assigned sites.
13. Provide developmentally appropriate ECMH screening/assessment to the students who are referred for services. The screening and assessment instruments shall be standardized and culturally sensitive. The care giver and other significant individuals will provide input to the screening and assessment.
14. Center for the Social and Emotional Foundations for Early Learning (CSEFEL) resources will be used to provide trainings for staff to support the integration of early childhood mental health services.
15. Consultant supports Navajo Head Start School Readiness Goals. Consultants will support the Education Component in discussing and observing with staff in their different settings (classroom or home) how young children's (0-5 years of age) development is integrated across domains of development according to the Head Start Early Learning Framework.
16. Existing methods, Conscious Discipline (CD), PATHS and Positive Behavior Interventions and Supports (PBIS), will be used as tools to support Navajo Head Start School Readiness Goals and the Head Start Early Learning Framework.
