- F. The NPD will notify proposers of the outcome of their proposals on or near the date indicated in the above time schedule.
- G. Proposal Submittal must include:
1. Description of the proposers' experience and capabilities in delivering the requested goods and services to government, corporate or law enforcement agencies. Delivery to law enforcement agencies should be emphasized.
  2. Proposer must include in their RFP a list of three (3) commercial fleet client references that can be used as references. Selected organizations may be contacted to determine the quality of work and services provided. The references should be law enforcement agencies.
  3. Provide insight describing the certification and work experience for the key staff who would be assigned to provide the requested goods and services to the NPD. Please include specialization of the key staff.
  4. Identify from what location the proposer will provide the goods and service to the NPD. Please include the manufacturing site of the NPD Canine Police Vehicles.
  5. Describe systems and mechanisms that would be established to ensure timeliness of response to the NPD staff and good communication during and following the project.

Specifically, identify how long will it take for the vehicle to be delivered upon receipt of a purchase order.

6. Describe systems and mechanisms that would be established for status reporting during the project.
7. Describe your preference for method of payment and your procedure for billing and other account requirements.
8. COSTS: Provide a proposed fee for the project based on the scope of work as outlined in the proposal. The fee should include the following:
  - a. Base fee for the goods and services outlined.
  - b. Define any additional or variable charges proposed that would be in addition to the base fee.
9. License requirement. Please refer to Section VIII.
10. A completed W-9 Form (Exhibit B)
11. A Navajo Nation Certification Regarding Debarment and Suspension (Exhibit C)

#### **IV. SELECTION CRITERIA.**

The NPD will use the following criteria in its evaluation and comparison of proposals submitted. The order in which they appear is not intended to indicate their relative importance.

- A. Compliance with RFP requirements.
- B. Understanding of the goods to be purchased and adherence to fulfilling mandatory specifications requirement.
- C. Experience in conducting similar scope, complexity and magnitude for other police agencies, with a preference for experience with similarly sized police agencies.
- D. Capacity and ability to complete the project in a timely manner.
- E. Educational background, work experience and any directly related experience with fulfilling an ammunition order of the size.
- F. Price
- G. References.

The NPD shall not be obligated to accept the lowest priced proposal, but shall make an award to the most responsible and responsive proposer whose proposal is most advantageous to and best serves the needs of the NPD and the Navajo Nation taking into consideration price and the evaluation factors set forth.

#### **V. SCOPE OF PURCHASE.**

The scope of work to be covered are attached herein as Exhibit A.
