

## **Request for Proposals (RFP)**

### **BID NO. 21-07-2519LE**

DODE is accepting proposals to continue the development of a Navajo Educational Information System (NEIS). This project should provide a Proof of Concept of a robust data management infrastructure for the collection, analysis, security, and reporting of both health (health, wellness, behavioral, etc.) and education data to support local, state, and federal reporting needs. The technology approach must include considerations for cloud and on-prem deployment, hardware, software, data governance, data security, data maintenance and support, data analytics, and technical and support personnel needs. The business approach must include an analysis of DODE operational, resource, and business requirements to deploy and operate NEIS.

Proposals can either be mailed to Department of Diné Education (**Attention Brent Nelson**) P.O. Box 670, Window Rock, Arizona 86515 or hand delivered to the Department of Diné Education Administration (located in the Navajo Education Center in Window Rock, Arizona).
