1. A Review Committee will review and will judge the proposals received in accordance with the general criteria used herein. The team may request oral presentation by the organization proposing. Proposals should prepare to provide any additional information the team feels necessary for a fair evaluation of proposals.

2. Failure to provide any information requested in the RFP may result in disqualification of the proposal. All proposals must be endorsed with the signature of a responsible official having the authority to bind the proposal to the execution of a contract.
3. The sole objective of the review team will be to select the proposal that is most responsive to the needs of the Navajo Nation Department of Child Care and Development. The specifications in this RFP represent the minimum performance criteria necessary for a response. On the basis of the evaluation criteria established in this RFP the Review Committee will select and recommend the proposal who best meets this objective.
4. Evaluation Criteria: The following criteria will be used by the selected proposal reviewing Committee in the selecting process for contract award. The technical proposal factors will be rated on a scale of 1-100 with weight relations as stated below.

Proposal Content and Organization 0-10 Points

- Organization letter & Qualifications
- Implementation plan & schedule
- Copies of licenses, certifications

Project detailed 0-30 Points

- Detailed information on approach to scope of work providing methodology with description of services

Project Schedule: 0-20 Points

- Schedule and proposed time frame Of services

Credentials and Past Performance 0-25 Points

- Licensures of business
- Detailed resume and experience

Cost: 0-15 Points

- Separate Sealed Envelope

1. Cost/Price Factors:

The importance of cost factors in the selection will depend upon the magnitude of the cost differentials identified, the credibility of such differential, the keenness of competition in the Technical Proposal, and the impact of other factors. The burden of proof as to cost credibility rests with the offeror. Proposed costs will be evaluated not only to determine if the estimate is reasonable, realistic and cost effective, but also to determine the offerors understanding of the program and ability to organize and perform the contract. Cost/price factors will not be numerically weighed and scored.

Proposed Cost: (To be sealed in a separate envelope) Show cost for overall proposal with NN Tax included with detail cost and attachment to be with proposal packet.
