XIV. OTHER

SCOPE OF WORK
Division of Behavioral and Mental Health Services
BEHAVIORAL/MENTAL HEALTH SUBCONTRACTED SERVICES (DBMHS)

The Navajo Nation Division of Behavioral and Mental Health Services (DBMHS) was established in 1987 as the lead agency of behavioral health for the Navajo Nation. DBMHS provides comprehensive substance use treatment to include care coordination, outpatient, prevention and residential services for the Navajo people. DBMHS assures that quality, culturally responsive and competent behavioral and mental health services are readily available and accessible to the Navajo people through effective coordination and development of behavioral health infrastructure. The mission statement is, "Providing Comprehensive Behavioral Health Services for Native Families." The vision statement is "Diné Be'iina' Hoozhoogo Silá," translation: "In the Navajo way of life there is beauty before you."

DBMHS has a total of eleven (11) Outpatient Treatment Centers (OTC); eight (8) are located in Arizona and three (3) are located in New Mexico. In addition, there is one Residential Treatment Center located in Shiprock, NM known as the Navajo Regional Behavioral Health Center. The outpatient treatment centers implement ASAM Level 1 outpatient and Level 2 Intensive Outpatient treatment services including faith-based, traditional and after-care services. Clinical services include individual, group, and family therapy.

Arizona: Chinle, Dilkon, Fort Defiance, Kaibeto, Kayenta, Newlands, Red Mesa, and Tuba City, AZ
New Mexico: Crownpoint, Gallup, and Shiprock, NM

The Navajo Nation Division of Behavioral and Mental Health Services (DBMHS) will accept statement of qualifications from qualified Behavioral and Mental Health organizations/consultants to assist DBMHS with delivery of clinical treatment services (individual, group, and family counseling) and case management services at treatment centers based on needs of the program.

The determination of whether an organization/consultant is deemed qualified will be based on the following criteria:

- 1) Ability to provide clinical services (individual, family, and group) with telehealth or hybrid in-person setting at DBMHS outpatient/residential treatment services
- 2) Ability to provide clinical supervision with telehealth or hybrid in-person setting
- 3) Demonstrate ability to document, process, and provide quality assurance oversight of third-party reimbursement for treatment services using DBMHS electronic health record, and
- 4) Knowledge of the Navajo Nation or indigenous population
- 5) Minimum Licensure Requirements (facility and individual)
 - a. Independently Licensed Masters or Doctorate Level Clinician
- 6) Organization/consultant will be required to coordinate and collaborate with treatment center clinical personnel regarding treatment plan, case staffing, coordination of care, billing and other important aspect(s) of clinical services.
