REQUEST FOR STATEMENT OF QUALIFICATIONS

1.0 INTRODUCTION

The Navajo Nation is seeking *multiple* Participating Lenders with Division of Economic Development (“DED”) to implement programs under the Navajo Nation State Small Business Credit Initiative (“NNSSBCI” or “SSBCI”) through this Request for Statements of Qualification (“RSQ”). The selected Participating Lender(s) will administer two approved SSBCI loans by deploying the SSBCI dollars to Navajo business owners:

- Navajo Loan Guaranty Program (“NLGP”) - Loan range: \$250,000 - \$20,000,000; and
- Navajo Loan Participation Program (“NLPP”) - Loan range: \$1,000,000 - \$20,000,000.

The 2021 American Rescue Plan Act reauthorized the 2012 State Small Business Credit Initiative to empower small businesses to access capital for job-creating opportunities post pandemic. States and US territories were allocated \$10 Billion, and for the first time, Tribal governments received an allocation of \$500 Million.

The Navajo Nation has an approximate \$88.7 million SSBCI allocation from the US Treasury (“Treasury”) and until 2032 to deploy the funds to Navajo business owners through approved SSBCI programs. On behalf of the Navajo Nation, DED is the implementing entity and oversight of the SSBCI programs. Designed by the Treasury, the SSBCI program aims to support entrepreneurs by reducing the hurdles often associated with getting loans. The program works by lowering the risk for lenders, encouraging them to invest in small businesses and promote job creation, economic development, and overall community well-being.

The NNSSBCI presents an unprecedented opportunity for Navajo small business owners. If the Navajo Nation is successful in deploying its SSBCI dollars, a minimum of \$178 million in business financing will be unlocked for eligible Navajo businesses.

1.1 RSQ OBJECTIVE

The objective of this RSQ is for DED to select and contract with the most advantageous bank/financial entity as a Participating Lender(s) for administering NNSSBCI approved loan programs to Navajo business owners on and off the reservation.

1.3 RSQ QUESTION SUBMISSION

Any inquiries regarding this RSQ should be submitted in an attached PDF file to an e-mail with the subject line: "Question on RSQ 24-07-3411SB." Such question e-mails should be submitted to Myron Rintala, SPPS, at mrrintala@navajo-nsn.gov prior to 4:00pm MST on 06/17/2025. Any inquiries received after this deadline will receive no response.

Inquiries made in any other manner or to any other individual or Navajo Nation office regarding this RSQ will not be answered. Answers to all questions will be advertised in the same manner as this RSQ in advance of the Submission Deadline. Only answers issued in this manner shall be an official response to questions.

2.0 SCOPE OF WORK

2.1 PROJECT LOCATION

The project location is the DED office located in the Karigan Professional Office Complex; 100 Taylor Rd. St. Michaels, Arizona 86511.

The selected Participating Lender(s) will attend a Contract Start-up meeting at the DED office in St. Michaels following selection and complete execution of the contract. Additionally, the selected Participating Lender(s) may also be required to attend onsite or other meetings that take place away from the DED office.

2.2 NNSSBCI PROGRAMS

The DED is seeking a Participating Lender to administer NLGP and NLPP on behalf of the Navajo Nation. The Scope of Work ("SOW") for a Participating Lender(s) is as follows:

2.2.1 Navajo Loan Guarantee Program Overview (\$250,000 - \$20,000,000)

The NLGP will provide small business loans to eligible small business borrowers, targeting borrowers with less than 500 employees and not allowing loans to borrowers with more than 750 employees. Within these parameters, the Navajo Nation will establish and refine the scope of eligibility for small businesses based on lessons learned through NLGP implementation, so long as the requirements for eligibility ensure primary benefit to Navajo owned and Navajo Nation owned businesses, and may provide for benefit to other small businesses clearly demonstrating substantial Navajo benefit (e.g., through significant employment opportunity for Navajo members).

The selected Participating Lender(s) will create reserve accounts not to exceed any guaranty commitment. The selected Participating Lender(s) and DED will administer the NLGP reserve accounts, which may involve a separate fund for each lender. The guarantee shall be for the full term of the loan. Funds held in each of the reserve accounts will be released from the reserve and restored to the NLGP's capital account as each borrower repays their loan to the lender. In other words, as the loan balance is reduced through repayment, the reserve amount for the loan guarantee will be reduced and the corresponding funds will be recycled for new loan guarantees.

REQUEST FOR STATEMENT OF QUALIFICATIONS

The NNSSBCI funding will have a fifty percent (50%) guaranty average and be matched by the Participating Lender(s) to provide, at a minimum, a 1:1 private match. Under this structure, the Participating Lender(s) will have an average of fifty percent (50%) of the loan risks, and will follow all SSBCI reporting requirements.

2.2.2 Navajo Loan Participation Program Overview (\$1,000,000 - \$20,000,000)

The NLPP will provide small business loans to eligible small business borrowers with less than 500 employees and without allowing NNSSBCI supported small business loans to borrowers with more than 750 employees. Within these parameters, the Navajo Nation will establish and refine the scope of eligibility for small businesses based on lessons learned through NLPP implementation, so long as the requirements for eligibility ensure primary benefit to Navajo owned and Navajo Nation owned businesses, and may provide for benefit to other small businesses clearly demonstrating substantial Navajo benefit (e.g., through significant employment opportunity for Navajo members).

The selected, when interested, Participating Lender(s) will participate in loans by purchasing a portion of the loan offered by Participating Lender(s) through their typical small business loan programs. For example, Participating Lender(s) may offer fixed term loans, revolving credit lines, balloon loans, interest only loans, construction loans or short-term bridge loans. The participation interest will be no more than eighty percent (80%) and no less than ten percent (10%), with an anticipated average participation rate of twenty percent (20%). Additionally, the financial entity will be allowed to participate in loans for no more than eighty percent (80%) and no less than 10%. We anticipate an average twenty percent (20%) participation rate to meet SSBCI leverage requirements. At initial deployment, loan participation rates may be higher to meet deployment goals of the NNSSBCI program and will taper off toward the end of the 10-year program. The DED will monitor the loan participation rates through monthly and quarterly reporting and will adjust the percentage targets for participating lenders accordingly.

2.3 ALLOCATION OF FUNDS

For purposes of administering the NNSSBCI Loan Programs in this RSQ, the Navajo Nation will receive a total allocation of \$88,739,540.00 from the U.S. Department of Treasury issued in three tranches/payments.

2.4 ESTABLISHING SSBCI LOAN PROGRAM FUND

Within thirty (30) days of contract execution, and prior to the receipt of funds from Navajo Nation, the selected Participating Lender(s) shall establish an "SSBCI Loan Program Fund" maintained in a federally insured bank account(s). The SSBCI Loan Program Fund shall not be commingled with other funds.

2.5 MINIMUM REPORTING REQUIREMENTS

Each quarter and each calendar year, the selected Participating Lender(s) shall submit a report (a total of five reports per year) to DED, with a copy to the Navajo Nation Department of Justice ("DOJ") and Office of the Controller ("OOC"), containing any information the Treasury requires, as defined in the Capital Program Reporting Guidance applicable at the time of the report, and any Navajo Nation reporting requirements.

REQUEST FOR STATEMENT OF QUALIFICATIONS

2.6 ADMINISTRATIVE COSTS ALLOWED

To cover expenses related to the administration and operation of the NNSSBCI Loan Programs, selected Participating Lender(s) shall be entitled to retain up to five percent (5%) of the first SSBCI allocation and up to three percent (3%) of the second and third allocations. Such administrative expenses shall be supported by documentation of actual expenses incurred to validate the costs claimed, as required and governed by the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. 200 Subpart E.

2.7 MEANINGFUL LENDER PARTICIPATION AND LENDING TARGETS

The selected Participating Lender(s) must have at least twenty percent (20%) capital at risk (measured in terms of the total amount of loans or other financing being made available simultaneously with the closing on the Enrolled Loan) or such other percentage as set forth in the Navajo Nation's or Treasury's SSBCI rules and regulations so that the Navajo Nation may achieve a minimum of a \$1:\$1 private to public investment ratio. In addition, the selected Participating Lender(s) will: (a) target Navajo businesses with an average Borrower size of 100 employees or less; (b) notwithstanding the Maximum Enrolled Loan Amount, target average loan sizes ranging from \$5,000 to \$1,000,000; and (c) target SEDI borrowers consistent with the requirements of Treasury and the marketing and outreach plan to be provided by the Participating Lender(s) to the Navajo Nation.
