A. PURPOSE OF THIS INVITATION FOR BID (IFB)

The Division of Behavioral and Mental Health Services (DBMHS) is soliciting sealed bids from qualified vendors to provide, deliver, and support new enterprise-grade laptop computers, docking stations, and associated accessories with five-year premium warranty and technical support services. The purpose of this procurement is to replace aging and end-of-life computing equipment and to equip DBMHS clinical, administrative, and program staff with modern, secure, reliable, and high-performance computing devices that support operational, telehealth, electronic health record (EHR), data management, and administrative functions across DBMHS programs and facilities.

This Invitation for Bid (IFB) seeks competitive bids for one hundred (100) fully configured laptop bundles meeting or exceeding the technical specifications defined in Section C – Technical Specifications. Each laptop system must include a current-generation enterprise-class processor, a minimum of 16 GB DDR5 memory expandable to at least 32 GB, a minimum 500 GB PCIe NVMe solid-state drive, and a 14-inch Full HD or higher anti-glare display capable of supporting multiple external monitors and business applications. Devices must support modern connectivity including Wi-Fi 6E or Wi-Fi 7, Bluetooth 5.2 or higher, USB-A ports, USB-C or Thunderbolt ports, HDMI, and Gigabit Ethernet connectivity either integrated or through the docking station.

Each laptop must be provided as a complete bundle including a compatible docking station capable of supporting dual 4K external monitors, Gigabit Ethernet connectivity, and peripheral device integration, as well as a wireless keyboard and mouse package. All equipment, including laptops, docking stations, and accessories, must be covered under a comprehensive five-year premium warranty and accidental damage protection plan that includes 24x7x365 technical support, remote diagnostics, next business day on-site hardware replacement, battery coverage, and Keep Your Drive data retention services to ensure reliable computing services for DBMHS staff throughout the warranty period.

B. CONDITIONAL GOVERNING THE PROCUREMENT

The DBMHS will comply with all federal and tribal laws and regulations pertaining to the procurement of these items. The DBMHS reserves the right to reject any IFB, in whole or in part. The IFB is not a legal binding agreement, obligation, or contract and any cost incurred by the respondent in preparing, transmitting, presenting or modifying the IFB shall be the responsibility of the respondent. Indian preference will apply to this IFB as well as vendors who should indicate they are Navajo Nation priority one or two vendors.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
